A ordem acima é a ordem em que os livros se encontram na sua Bíblia. Quero lembrar que seguindo este plano de leitura você irá ler a Bíblia toda em 01 ano de acordo com a ordem dos seus acontecimentos. Assim, muitas vezes você deverá saltar de um livro para outro seguindo assim a ordem cronológica dos acontecimentos.

Em alguns dias de sua leitura você irá achar que são muitas referências para serem lidas, mas se você observar bem irá notar que algumas referências constam de somente uns poucos versículos quando não somente um.

O livro de Provérbios está organizado neste plano de leitura por temas, ou seja, você vai ler todos os versículos deste livro de acordo com temas específicos (preguiça, discernimento, providência, etc...).

Lembre-se: a Bíblia não é um livro comum, para melhor aproveitar a sua leitura, sempre inicie com oração e peça a orientação do Espírito Santo; ao terminar sua leitura diária ore novamente e medite naquilo que você leu.

Boa Leitura e que Deus o abençoe nesta empreitada.
